Tesla cars site

Tesla car models insight, news and dealership finding

Dimitar Petrov 337 5471, Class: Ei2B

2/8/2018

Contents

Introduction

This document is to provide information about the plan for executing a project of creating a "blog" website concerned with newest inventions in the field of electricity powered cars, more precisely: Tesla brand cars.

Target audience

Why do they visit your site?
People visit our site to find the latest information about all Tesla brand cars.
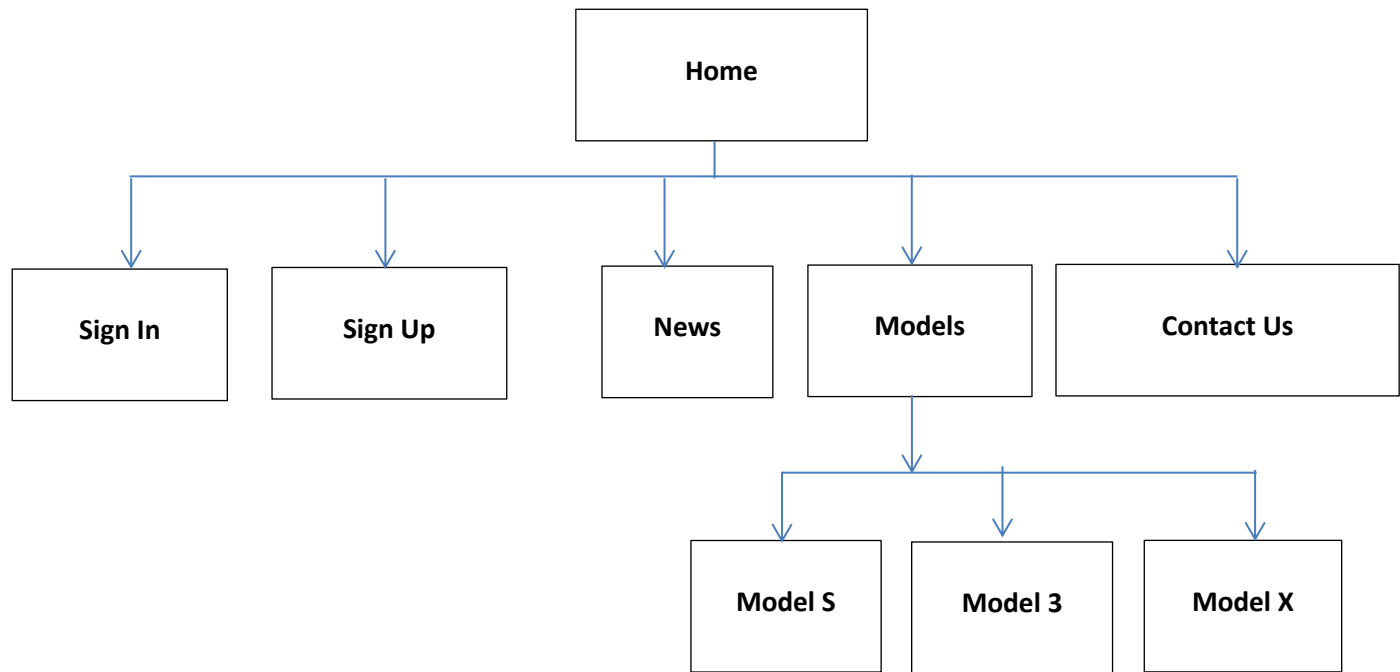

What do they want to reach?
People want to get access to the latest Tesla company related news and specific information about every model.

What information do they need?
People would need more information concerning the price, options, discounts, reliability and more about the different brand models.
